Membership List

and

Master Index

NOTICE: (STANDARD DISCLAIMER) As always , in the past, present, and future newsletters, we would like to make you aware that this newsletter is only presented as a clearing house for ideas and opinions, or personal experiences and that anyone using these ideas, opinions, or experiences, do so at their own discretion and risk. Therefore, no responsibility or liability is expressed or implied and is without recourse against anyone.

Once again the T-18 shows the world that in the right hands it is still a champion. From all off us in the T/S-18 community we want to say: "Job well done Bernie !" I believe this cover says it all.

Editors Notes

By: Roy Farris

Well, here it is. Several of you had ask for a current membership list and newsletter index. I must admit that it was quite a task to get it all entered, but now that I have it saved on the old computer, adding to it will be much easier. I have included the email addresses that I had on file, but I won't promise that they are accurate. I have found that people change their email addresses about as often as they change their

shorts. As you read through this issue, if you notice an error in your data I would appreciate it if you could drop me a line with the corrections. I like to try to keep my records current.

On page 3 I have included a handy form for you to remove and mail with your T-18 Mutual Aid Society membership renewal. This issue went to press the first of December, so if you have sent me your dues after that, I appreciate it, and don't worry if your label says otherwise. For those of you who fail to send your dues before the end of January 2003, this will be your LAST issue.

I feel that we have one of the best, and definitely one of the best looking newsletter publications that exists in the Experimental community. I look forward to your continued support of the T/S-18 design and this newsletter. We all know that we have the best little airplane in the world. I am always open to suggestions on how to improve the newsletter and the website. Give me a call, send me a letter or an email I always love to talk Thorps. See ya next year.

Please Renew Your Subscription For 2003

This could be Your LAST Issue

New Membership/Subscription Policy

Beginning in January, 2003 the T-18 Mutual Aid Society is going to a yearly Dues/Newsletter subscription policy. In order to continue your membership in the T-18 Mutual Aid Society, and to continue to receive the T-18 Newsletter, you must have paid your membership dues before January 31, 2003.

Take a look at your mailing label on the back of this newsletter. If your label says "Membership Expires Dec 2002" then your membership will expire about the time you receive this newsletter. Some of you have already sent you dues for 2003 and to you I say Thank You !! Your Labels will read "Membership Expires Dec 2003". For those few of you who see "You owe \$25" or "You owe \$50" then your dues are 2 or 3 years past due.

Some of you have recently sent me checks, and I really appreciate it. Some of you were a little behind, so if you still see that you expire in Dec 2002, that is the case. If you have any questions please feel free to contact me to discuss it.

Of course if you forget to send your dues, just give me a call or send me an email, and as soon as I receive your dues I will send you any issues you missed.
